Saint Benedict on Humility (Feast Day 11th July)

Holy Scripture, brethren, cries out to us, saying, "Everyone who exalts himself shall be humbled, and he who humbles himself shall be exalted" (Luke 14:11). In saying this it shows us that all exaltation is a kind of pride, against which the Prophet proves himself to be on guard when he says, "Lord, my heart is not exalted, nor are mine eyes lifted up; neither have I walked in great matters, nor in wonders above me"

But how has he acted? "Rather have I been of humble mind than exalting myself; as a weaned child on its mother's breast, so You solace my soul"

Hence, brethren, if we wish to reach the very highest point of humility and to arrive speedily at that heavenly exaltation to which ascent is made through the humility of this present life, we must by our ascending actions erect the ladder Jacob saw in his dream, on which Angels appeared to him descending and ascending.

By that descent and ascent we must surely understand nothing else than this, that we descend by self-exaltation and ascend by humility. And the ladder thus set up is our life in the world, which the Lord raises up to heaven if our heart is humbled. For we call our body and soul the sides of the ladder, and into these sides our divine vocation has inserted the different steps of humility and discipline we must climb.

Put preaching at centre of the church, pope tells new archbishops - 32 archbishops received a pallium from Pope Francis on the Solemnity of St Peter and St Paul; a pallium is a woolen band that the heads of archdioceses wear around their shoulders over their Mass vestments. The pallium symbolizes an archbishop's unity with the Pope and his authority and responsibility to care for the flock the Pope has entrusted to him. **Solemnity of St Peter & St Paul, June 29, 2023**

Emmaus Bereavement Group (Autumn) - At whatever stage you are at in your Bereavement journey it can feel a very lonely place. Dealing with the loss of a loved one. Whenever you feel the need to talk don't be afraid to reach out and ask for help from those who care. For those of you who wish to join there will be a new Emmaus Bereavement Group starting in the Autumn. There will be a time to share – a time to listen to others – a chance to support – a chance for a fully agreed confidential journey as a group. Facilitator will be Fr Robbie and it will be held on the 2nd Wednesday in the month at Hassop and the 4th Wednesday of the month in Matlock, both starting at 7pm. You can choose to attend either, or both groups. More information will be available in September.

Financial Matters

Many parishioners now donate having set up a standing order from their bank. This is usually made weekly or monthly. This is a very convenient method and a great help to the parish to have the certainty of this regular income when we are less likely to hold cash or be away. You can set this up via the Hassop or Matlock website under the tab 'donate'.

A Clean Heart - How does a worm get inside an apple? Perhaps you think the worm burrows in from the outside. No, the worm comes from the inside. But how does he get in there? Simple! An insect lays an egg in the apple blossom. Sometime later, the worm hatches in the heart of the apple, then eats his way out.

Sin, like the worm, begins in the heart and works through the person's thoughts, words, and actions. For this reason, David once wrote, "Create in me a clean heart, O God" (Psalm 51:10b).

The Third Annual World Day for Grandparents and the Elderly

The Vatican has announced that this will take place this year on 23rd July, the Sunday before the feast of Saints Anne and Joachim, the grandparents of Jesus, and the theme for the day, selected by the Pope, will be "**His mercy is from age to age**" (Lk 1:50).

The World Day of Grandparents and the Elderly is an opportunity to proclaim once more, with joy, that the Church wants to celebrate together with all those whom the Lord ~ in the words of the Bible ~ has "filled with days". Let us celebrate it together! Seek out those elderly persons who feel most alone, at home or in residences where they live. Let us make sure that no one feels alone on this day. Expecting a visit can transform those days when we think we have nothing to look forward to: from an initial encounter, a new friendship can emerge. Visiting the elderly who live alone is a work of mercy in our time!
