WORSHIP • SERVE • GROW • GIVE • BELONG

Our parish community is called to build the Kingdom of God. We gather for **WORSHIP** to strengthen our Christian unity; also included are our various ministries where you can **SERVE** those most in need with love and dignity, and opportunities to **GROW** your faith in the truth of life that Jesus provides us. We appreciate and are open to your willingness to **GIVE** of your time; treasure and talent. We want you to know, furthermore, that it is here that you have a place to **BELONG**: there is always a pew for you! This beautiful building belongs to you. Cherish your time here, as God the Father cherishes you.

'He loves, He hopes, He waits. Our Lord prefers to wait Himself for the sinner for years rather than keep us waiting an instant.'
St Maria Goretti

We congratulate Derrick Wain on his 90th Birthday this Sunday. Derrick has been for many years a faithful parishioner and an outstanding sacristan to Frs Paul, Bernard and Robbie who give grateful thanks for his friendship and service to the parish. We all wish Derrick, Brenda and Family and friends a wonderful day of celebration.

The SVP will soon be starting its outreach work - supporting those in need within our community. Your support would be appreciated in several ways- letting us know of anyone who might welcome our support, putting any loose change in the money box at the back of church or joining us to become a member. If you know someone in need please contact Lance Philpott at lancep@svp.org.uk or if you are interested in joining the group or finding out more, contact Lance or come along to the next meeting on Tuesday 5th July at 7pm in the parish hall.

God has created every human being in His image and likeness.
Thus, every person is instilled with irrevocable dignity and thus the right to life. Jesus makes clear in the Gospels that to love God is to love our neighbours, especially those who are on the margins. Despite conventional norms, Jesus spent time with women, ethnic minorities, tax collectors, and prostitutes. He told us that to serve the poor, the hungry, and the imprisoned is to serve God.

As Catholics we oppose the legalization of direct threats to innocent life, including abortion, euthanasia, the death penalty, and unjust war. We also work for a culture that promotes the dignity of life.

Human dignity is received at the moment life begins, conception. At conception, this single fertilized egg has its own unique DNA; a human being exists. From this one tiny cell can only come one thing, a human baby! And from this moment on, through infancy and childhood all the way until old age, at every moment of their life, this person has a unique and unrepeatability dignity. Because of this, regardless of the developmental stage or where the baby is located, the life should be protected.

Women often seek abortions because they feel that they are not in a place where they can raise a child. Poverty, lack of healthcare, fear of violence, and coercion often make women feel as if they had no choice but to abort their child. As Catholics, we should be scandalized that in our country it is easier to end a human life than it is to care for it. Opposing abortion is more than just making it illegal, opposing abortion means promoting a society where women, children, and family can not only survive, but thrive.

Let us not be complacent about Covid - Infections are continuing to rise in the UK, the latest figures from the Office for National Statistics show. The data suggests about 1.7 million people were estimated to have Covid in the week ending 18 June. This is about one in 35 people - an increase of 23% on the week before. If you have someone who contracts covid in your home environment it might be better to not attend church whilst they are isolating. Also if you feel you have been near someone who has covid please wear a mask at Mass.

Traidcraft - If anyone would like to assist with running the Traidcraft stall after mass on Saturday or Sunday from August, please contact Ingrid Pasteur on ipasteur@btinternet.com

Would you like to read at mass? The reading team is looking for new readers, particularly for the 11am mass, starting in August. All are welcome but we would particularly like to see more young readers. If you are interested, please contact Lance Philpott on lance.philpott59@gmail.com
