

The Catholic Community of All Saints Catholic Church, Hassop, and Our Lady & St Joseph Catholic Church, Matlock Newsletter

**20th SUNDAY IN
ORDINARY TIME**

The feast of the Assumption is a day of joy. God has won. Love has won. It has won life. Love has shown that it is stronger than death, that God possesses the true strength and that his strength is goodness and love.

Mary was taken up body and soul into heaven: There is even room in God for the body. Heaven is no longer a very remote sphere unknown to us.

We have a Mother in heaven. And the Mother of God, the Mother of the Son of God, is our Mother. He himself has said so. He made her our Mother when he said to the disciple and to all of us: "Behold, your Mother!" We have a Mother in heaven. Heaven is open, heaven has a heart.

In the Gospel we heard the Magnificat, that great poem inspired by the Holy Spirit that came from Mary's lips, indeed, from Mary's heart. This marvellous canticle mirrors the entire soul, the entire personality of Mary. We can say that this hymn of hers is a portrait of Mary, a true icon in which we can see her exactly as she is. I would like to highlight only two points in this great canticle.

It begins with the word "Magnificat": my soul "magnifies" the Lord, that is, "proclaims the greatness" of the Lord. Mary wanted God to be great in the world, great in her life and present among us all. She was not afraid that God might be a "rival" in our life, that with his greatness he might encroach on our freedom, our vital space. She knew that if God is great, we too are great.

Our life is not oppressed but raised and expanded: It is precisely then that it becomes great in the splendour of God.

She always listens to us, she is always close to us, and being Mother of the Son, participates in the power of the Son and in his goodness. We can always entrust the whole of our lives to this Mother, who is not far from any one of us.

On this feast day, let us thank the Lord for the gift of the Mother, and let us pray to Mary to help us find the right path every day. Amen.

Extract from a homily preached by Pope Benedict XVI on the Feast of the Assumption of the Blessed Virgin Mary, August 16, 2005 at the parish church of Castel Gandolfo, Italy.

Marriage is a craftsman's task - "Marriage is also an everyday task, I could say a craftsman's task, a goldsmith's work, because the husband has the duty of making the wife more of a woman and the wife has the duty of making the husband more of a man. Growing also in humanity, as man and woman. And this you do together. This is called growing together. This does not come out of thin air! The Lord blesses it but it comes from your hands, from your attitudes, from your way of loving each other."
Pope Francis, 14th Feb 2014

Pope at last Sunday's Angelus: "Jesus reassures us: Do not be afraid! Trust in the Father who wants to give you all that you truly need. He has already given you His Son, His Kingdom, and He will always accompany you with His providence, taking care of you every day."

Our parish community is called to build the Kingdom of God. We gather for **WORSHIP** to strengthen our Christian unity; also included are our various ministries where you can **SERVE** those most in need with love and dignity, and opportunities to **GROW** your faith in the truth of life that Jesus provides us. We appreciate and are open to your willingness to **GIVE** of your time; treasure and talent. We want you to know, furthermore, that it is here that you have a place to **BELONG**: there is always a pew for you! This beautiful building belongs to you. Cherish your time here, as God the Father cherishes you.
